Hi to each of our SonRise Camp members.

I am truly thankful for all the ministry that God used to bring Glory to His name again in Camp 24! I trust that you and your family had intimate times with God, and great fellowship with his family if you were able to attend. I am committed to creating places where people can step back a bit from the business of daily life and be more open to listening to and hearing from our Lord Jesus. Some of the most life-changing moments in my life have been at camps.

The purpose of our camp is “to provide for the building up of the faith for all age levels with the intent of blessing and fellowship at an affordable cost.” For this reason, we try to keep registration and meal costs as low as possible. It covered 49% of our total expenses in 2023.

We also have a few other income streams. The evening café generated about 2.5%, Monthly donations from individuals brought in about 9%, and monthly donations from churches covers 4.5%.

That leaves about \$34,350 to be generated through offerings. This year we fell short \$.

I know that for many, the camp is of great value, but significantly expensive. I remember a church building program slogan that I heard about 45 years ago. Not equal gifts, but equal sacrifice. If you can help, it would be greatly appreciated.

Thank you for participating in SonRise camp. And please also participate by praying for Camp 2025.

In His Service,

Pastor John Greiner
